

Thank you from Transplant International

Reviewers 2024

Peer-reviewed journals could not survive without the generous time and insightful comments of their reviewers, whose efforts often go unrecognized. Editorial decisions are greatly facilitated by the deeper technical knowledge, scientific insights, expertise and astuteness that reviewers bring to the editorial process. The editors and staff of Transplant International publicly acknowledge and thank the experts who served as peer reviewers for the journal.

Thierry Berney, Editor in Chief

2024 Reviewers for Transplant International

Davide A. Abate	Davide Ghinolfi	Christina Nguyen
