A Corrigendum on Adaptive pastoralists—insights into local and regional patterns in livelihood adaptation choices among pastoralists in Kenya

by Bostedt G, Knutsson P, Muricho D, Mureithi S, Wredle E and Nyberg G (2023). *Pastoralism*.
13(1):26. doi: 10.1186/s13570-023-00290-8

In the original article, there was a mistake in Figure 5 as published. The bars in the bar chart for the variable “Migrate further” were incorrect. The corrected Figure 5 appears below.

The authors apologize for this error and state that this does not change the scientific conclusions of the article in any way, since the main text refer to the correct figure, and thus does not need to be changed. The original article has been updated.

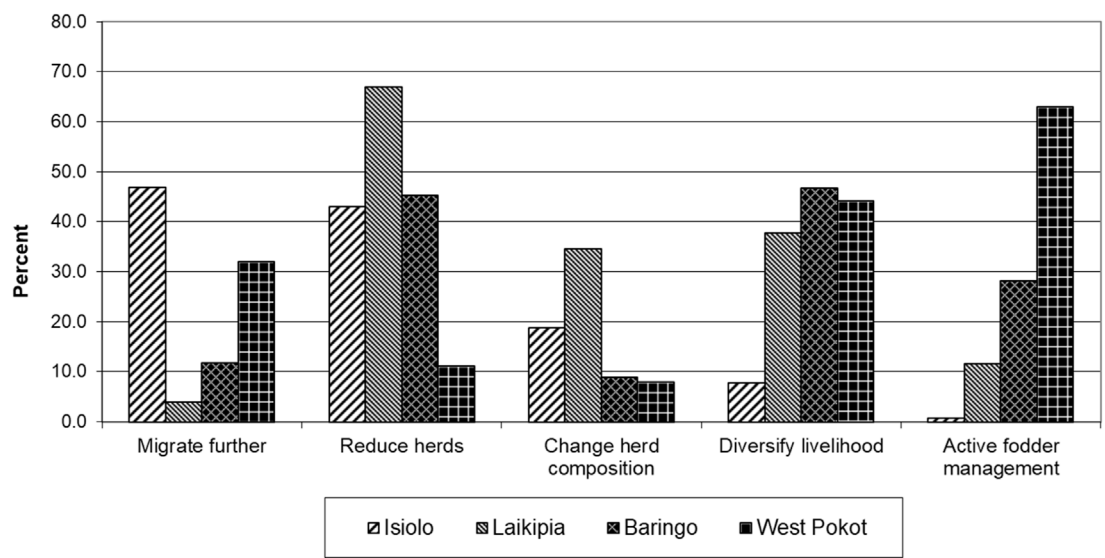

FIGURE 5
 Responses to the question: “What is your strategy to cope with/adapt to changes in livelihood conditions?” on the county level.
