

CORRIGENDUM

Lanio, N., Sarmiento, E., Gallego, A., Calahorra, L., Jaramillo, M., Navarro, J., Palomo, J., Fernandez-Yañez, J., Ruiz, M., Fernandez-Cruz, E., and Carbone J. (2013), Alterations of naïve and memory B-cell subsets are associated with risk of rejection and infection in heart recipients. *Transplant International*, 26: 800–812. doi: 10.1111/tri.12131

It has come to our attention that there was an error made in the acknowledgement. The correct statement is as follows:

“The indicated projects FIS050839, FIS081430 and FIS1101323 were performed with participation of funds from European Regional Development Funds, ‘A way of making Europe’ from the European Union.”

The authors apologize for any inconvenience caused.
