

**CORRIGENDUM**

Haller M.C., Wallisch, C., Mjøen, G., Holdaas, H., Dunkler, D., Heinze, G. and Oberbauer, R. (2020) Predicting donor, recipient and graft survival in living donor kidney transplantation to inform pretransplant counselling: the donor and recipient linked iPREDICTLIVING tool – a retrospective study. *Transpl Int* 33: 729–739. <https://doi.org/10.1111/tri.13580>

It has come to our attention that the study type used for this article must be changed.

The correct title should read as follows:

Predicting donor, recipient and graft survival in living donor kidney transplantation to inform pretransplant counselling: the donor and recipient linked iPREDICTLIVING tool – a risk prediction study.
