

**Thursday, 15 October 2020**

08:00–09:00		Session: Infectiology	Session: Function Preservation of Transplanted Organs	Session: Limits of the Indication for Liver Transplantation
09:00–09:45	Poster Session I			
09:45–11:00	Opening Ceremony and Opening Lecture			
11:00–12:00		Satellite Symposium	Satellite Symposium	Satellite Symposium
12:30–13:45	Plenary Session I: COVID-19 and Transplantation			
14:00–15:30	Session: Biological Mechanisms of Cell Aging and their Significance for Transplantation Medicine		Committee Meeting: Pancreas	Committee Meeting: Ethics
15:30–16:15	Poster Session II			
16:15–17:45	Session: Pancreas and Islet Transplantation	Session: What concerns the Persons affected / Relatives	Committee Meeting: Kidney	Committee Meeting: Psychology/ Psychosomatics
18:15–20:00	DTG General Meeting			

**Friday, 16 October 2020**

08:00–09:00	Session: Psychosomatic Aspects of Living Donation	Session: Alternatives to Heart Transplantation for the Future?	Session: Preparation and Aftercare for Liver Transplantation	Session: Biomarkers in Transplantation
09:00–09:45	Poster Session III			
09:45–11:00	Plenary Session II: Living Donation			
11:00–12:00	Satellite Symposium	Satellite Symposium		
12:30–13:30	Session: Criteria for Quality in Transplantation Medicine	Session: Minimally Invasive Techniques in Transplantation Surgery	Session: Individual Setup for Immunosuppressive Therapy	Session: Additional Training in Transplantation Medicine
13:45–15:15	Session: Challenges in Paediatric Transplantation	Master Class II: Living Donation Transplantation	Committee Meeting: Immunology	Committee Meeting: Organ Procurement
15:15–16:00	Poster Session IV			
16:00–17:30	Session: Persistent Viruses under Immunosuppression	Session: Antibody Diagnostics in Kidney Transplantation 1	Committee Meeting: Heart/Lung	Committee Meeting: Liver/ Intestine

## Saturday, 17 October 2020

---

08:00–09:00	Report on Work on Guidelines and Reports of DTG Committees	Master Class III: Evaluation and Aftercare Kidney	Session: Immunosuppression Kidney	
09:15–10:15	Session: COVID-19	Session: Antibody Diagnostics in Kidney Transplantation 2	Session: Machine Perfusion of Abdominal Organs	Session: Tissue Engineering
10:30–11:00	Awards Presentations			
11:00–12:15	Plenary Session III: Triggers of Transplant Rejection			
12:45–13:45	Session: Monitoring of Immunosuppression	Session: Antibody Diagnostics for Liver and Lung Transplantation	Session: Machine Perfusion of Thoracic Organs	Session: Breaking News
